In re Application of	:	
Fitzhugh et al.	:	DECISION ON PETITION
Application No. 10/623,239	:	
Filed: 07-17-2003	:	
Attorney Docket No. PA497 DIV1	:	

This is in response to the petition under 37 CFR 1.47(a), filed July 17, 2003.

In accordance with 37 CFR 1.63(d)(3), applicants have submitted a copy of the executed declaration submitted in Application No. 09/972,219, filed October 4, 2001, of which the present filing is a divisional application. The petition was not accompanied by a copy of the decision granting the petition under 37 CFR 1.47(a) in the prior application. However, in order to expedite processing of this application, a copy of the decision mailed on October 4, 2002, granting Rule 1.47(a) status in the prior application has been made and placed in the present application.

As Rule 1.47(a) status was granted in the prior application, this application is hereby accorded Rule 1.47(a) status. As no petition is necessary to accord Rule 1.47(a) status in this application, the petition is **dismissed as moot**. No petition fee is necessary.

Pursuant to 37 CFR 1.47(c), the Office is dispensing with the notice provision in the present application because notice was provided after the grant of Rule 1.47(a) status in the prior application.

The matter is being referred to the Office of Patent Publications for issuance of a patent.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3211.
